

Why Choose the NWCH Consult Framework?

Lot 7: Cost Management

Delivering confidence, value, and transparency

Why choose Lot 7?

Expert cost management that ensures public sector projects are delivered with clarity, control, and best-value outcomes.

Lot 7 brings together pre-vetted, high-performing cost consultants with deep experience across:

- Construction cost planning
- Benchmarking and value engineering
- Risk and contingency management
- Whole-life costing
- Procurement and commercial advice
- Cost assurance and auditing

What You Gain Through NWCH Lot 7?

- ✓ Transparent and competitive pricing
- ✓ Robust cost forecasting to avoid overspend
- ✓ Consistent reporting standards across the NWCH framework
- ✓ Access to specialist expertise for complex or unique projects
- ✓ A simplified, fully compliant procurement route
- ✓ Support from teams experienced in delivering public sector outcomes

Ideal For:

- Local authorities • NHS trusts • Education providers
- Blue-light services • Housing providers
- Combined authorities • Regeneration and development programmes

For more than a decade, NWCH has delivered collaboration-focused, community-centred, value-driven projects across the North West... Lot 7 continues this legacy with cost certainty, public value, and industry-leading expertise.
